Notes

1. Home has just the links to the main pages of the web site:
   - The Group Telecom Italia/Tim
   - All Services Categories
   - All Devices Categories
   - All Assistances Sevices Categories
   - Who we are
   - Promo all Services Categories and Promo All Device Categories.
   - Highlights (the most used services)
2. In every other page there is a menu in the top of page that contains the link to the pages:
   - The Group Telecom Italia/Tim
   - All Services Categories
   - All Devices Categories
   - All Assistances Sevices Categories
   - Who we are
3. The Group Telecom Italia/Tim and Who we are are simple pages and contain only information.
4. The All Services Categories page contains the links to every single category and a button that links to the All SL Services page. Smart Life (SL) Service is the page that shows the single SL Service.
5. Devices and Assistance Services are organized in the same way we described in the 4 point.
6. In every device there is a list of SL Services and Assistance Services available for the specific device.
7. In every SL Service there is a list of devices which are available with the Service .
8. In every Assistance Service there is a list of devices which are available with the Assistance Service.
